To Debate Red Verdict

Oslo, Nov. 29 (Reuters)—
The Norwegian Parliament will
debate the sentence of 18
months in a labor camp passed
by a Soviet court on American
tourist Newcomb Mott, 27, who
crossed the Soviet-Norwegian
frontier illegally early in Sep-
tember.

Karl J. Brommeland, member
of Parliament, asked whether
this sentence would have any
effect on forthcoming talks
between Russia and Norway on
an agreement for continued
visits by Scandinavian tourists
to the Boris Gleb area, where
Mott crossed the border.
